Best Home Furnishings
Best Custom Upholstery Company

We Are Best.®

Established in 1962 and based in Ferdinand, Ind., Best Home Furnishings is one of the largest furniture manufacturers in the world, committed to creating the best quality sofas, chairs, and recliners at the most affordable price. Family owned and operated, Best has more than a million square feet of manufacturing space in five southern Indiana locations. The combination of the company's six "Power of Best" standards — quality, speed, selection, family, made in the USA, value and over 60 years — are unmatched by any other upholstered residential furniture manufacturer.

POWER OF BEST®

The combination of the company's six

THE POWER OF BEST®

standards are unmatched by any other upholstered furniture manufacturer.

CRAFTSMANSHIP

Made in the USA*.

Since 1962, every Best Home Furnishings chair, recliner and sofa has been made right here in the heartland of America. We employ more than 850 hard-working, highly skilled craftsmen who take pride in paying attention to details and building furniture that lives up to its name. As a family-owned company, we're proud to provide jobs that support our community and our country. And when you buy a Best chair, sofa or recliner, you become part of that legacy.

SPEED

Made to arrive sooner.

At Best Home Furnishings, we know that when you finally find your favorite piece of furniture, you can't wait to see it inside your home. For one of the industry's fastest custom-order turnaround times, we keep every upholstery and wood finish in-stock and ready to use. Our inventory and manufacturing processes ensure your Best chair, recliner or sofa is delivered in weeks, instead of months-so you can settle in and enjoy it even sooner.

SELECTION

Made for you.

At Best Home Furnishings, we believe furniture should be all about you. It should fit your life, your style and your space. To help you find your perfect seat, our furniture is available in hundreds of sizes-from oversized Best recliners, to petite easy chairs, to high-leg recliners that double as accent chairs. Our catalog includes a range of styles, from contemporary and modern, to formal and traditional. And once you find the perfect chair, you can customize your comfort with dozens of premium features, and make it match your décor with more than 700 leather and upholstery options.

POWER OF BEST®

QUALITY

Made to last.

At Best Home Furnishings, we build furniture that lives up to its name. Every one of our sofas, chairs and recliners is built and engineered to endure years of daily use. We start with kiln-dried, native hardwood frames, handpick every piece of wood and fabric, and use computerized scan-and-cut systems to eliminate defects. Our manufacturing process benefits from USA craftsmanship and checks and balances at every step. The result is furniture that remains comfortable for generations to come.

- We use sturdy frames with kiln-dried hardwood frame parts.
- Our computerized systems scan and cut out wood defects.
- Joints are doweled, screwed, glued, stapled and corner blocked.
- Deep penetrating truss plates are added to reinforce high stress points.
- We have 60 expert upholsterers with an average of 16+ years' experience.
- Every piece undergoes an 18-point sewing inspection checklist.
- Innovative Performa Weave® chaise pads are added to reclining furniture.
- Our extensive power recliner testing far exceeds industry standards.

VALUE

Made to make sense.

More than 60 years ago, our founders committed to building high-quality furniture that lasts for decades but doesn't require years of financing. It's a simple philosophy, but we've stuck to it for generations-and it even inspired the Best Home Furnishings name. Thanks to strict production standards, close vendor relationships, and efficient manufacturing, we keep our prices competitive without sacrificing quality. Because we believe your investment should make sense-today, tomorrow and for years to come.

FAMILY

Made with love.

The Lange family started Best Home Furnishings in 1962 with a commitment to engineering quality products at an affordable price. While our founder, Clem Lange, is in the American Home Furnishings Hall of Fame, and we're a top 15 furniture supplier, we haven't forgotten our roots. We're still a family-owned company - now its third generation - and we're still dedicated to making the finest furniture possible. Every dealer, supplier and customer is seen as an extension of our family.
